No..S..2..3599/47 dated the 20th July, 1949.

Sir,

Sub :: Agriculture - Grow More Food--Hire of a Wankesha oil engine to Sri. M.M. Pai - Recovery of arrears of hire charges -- filing of a suit - permission - requested .

Ref :: Development Department letter No. 53521 A.IV/49-1 dated 3-6-1949 addressed to Sri. M.M. Pai, Mangalore and copy endorsed to me.

P 214 (H)

The District Collector, Mangalore is of the opinion that the arrears of hire charges due from Sri. Pai, Mangalore cannot be collected as arrears of land revenue unless stated specifically to that effect in any agreement entered into with the party. As at the time of hiring of the engine to Sri. Pai this was not contemplated, no agreement in such a form has been entered into with him..

2. The District Agricultural Officer consulted the Government Pleader also in the matter. The Government Pleader after going through the papers is of the opinion that a suit for the recovery of hire charges is sustainable.

3. In view of the opinion of the Government Pleader I request Government may permit me to file a civil suit in a court of law against Sri. Pai for recovery of the amount. The amount due from Sri. Pai is Rs. 1247/--

The District Agricultural Officer, Mangalore has since furnished certified copies of the decree and judgment in the suit filed against Sri M.M. Pai of Mangalore. The court has decreed the suit for Rs.1172/14/0 as against the claim of Rs.1,344/14/0. The reduction in the amount claimed is due to the calculation of the hire charges at the rate of Rs.200/- for three months instead of Rs.75/- per mensem. As per rules then in force hire charges were to be recovered at the rate of Rs.3/- per day or Rs.75/- per mensem or Rs.200/- per three months whichever is less. The court has also ordered the payment of Rs.211/3/4 by the defendant towards proportionate costs of the suit.
